

## **EHS Film Society**

Students,

Welcome to Film Society! The goal of this group is to promote film appreciation. I choose the films in an effort to balance genre, generation, film technique, and film approach. It is my hope that you will see films you have never had the opportunity to view, as well as to watch films with which you may be familiar a bit more critically.

With the exception of the year's last film, we will view all films in my room, A263. The final film will be shown in the auditorium. You are more than welcome to bring food and drinks to A263. Please just clean up after yourself. As a courtesy to other audience members, please refrain from using your cell phones in the room. See me if you have any questions or concerns. I'll keep this list posted both outside my classroom on my website.

We will start all meetings (which are always on Thursdays) by 1:55 p.m. and the film by 2:05 p.m. Each film's duration is listed below, so that you can plan accordingly for activities and rides. Thanks for your interest!

*Ms. Lane*
