Re: Rated "R" Films  
Date: Dependent on Film Screening Date

Parents and Guardians:

Greetings! I am writing to inform you about plans for one of this year's choices for Film Society. Film Society is a club designed to promote film appreciation. We watch one film a month after school. I choose the films for the year in an effort to bring variety in generation, genre, film approach, and technique to viewers.

Our choice of \_\_\_\_\_ film is rated 'R'; therefore, students who are under the age of 17 must turn in this document signed by a parent or guardian prior to watching this film.

If you are interested in learning more about these ratings (or those of any other film), please visit [www.imdb.com](http://www.imdb.com) and search for the movie of your choice. You will find links to the MPAA under "ratings." This is usually found at the bottom of the "Storyline" entry of a particular film.

If you grant your student permission to watch this film, please sign your name below. Students under 17 without a signed parent permission form will not be permitted to stay and watch the film. Thanks for your cooperation and do not hesitate to contact me with any questions.

Sincerely,

Cara Lane
